TRAFFIC SAFETY WEEK

Traffic Safety week

Schools & Colleges
are encouraged to
hold **week long**
traffic safety
events.

SMALL STEPS TOWARDS A BETTER TRAFFIC!

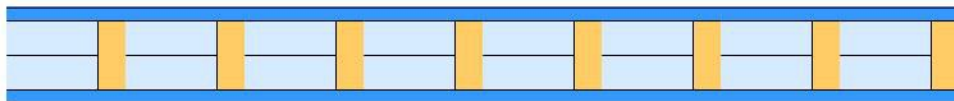

Thousands of people have been killed in India each single year by allowing such protruding rods behind trucks, rickshaws, horse driven thelas etc. Recently legislation has been made to ban these.

The legislation needs to be 100% implemented. Many times at night or even in broad daylight, these kind of unchecked vehicles are a source of fatality.

Care for Pedestrians

*If we don't care
for pedestrians on
the road, we are
hurting the entire
society.*

COMPARE TRAFFIC WITH OTHER NATIONS' TRAFFIC

Look up and compare
traffic culture in
different nations
and we will improve
learning from their
great traffic
governance and
common sense of
the citizens.

Compassion & common sense

*More important than
governance of traffic
discipline is the
common sense and
compassion of the
public. Adopt
compassion based
traffic principles!*

CARE, COMPASSION AND COMMON SENSE

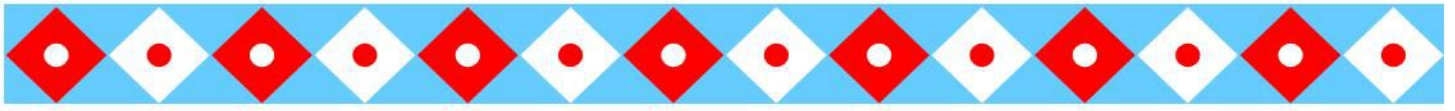

TRAFFIC SAFETY

Care, compassion and
common sense in driving
can bring down road
accidents! Happiness in
the world goes up!

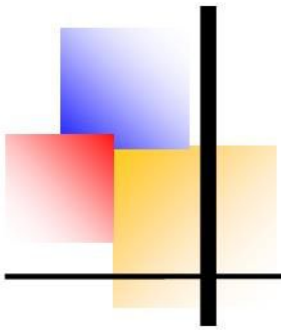

HONK ONLY
WHEN NEEDED!

HONK HONK!
ARE YOU
LISTENING? :)

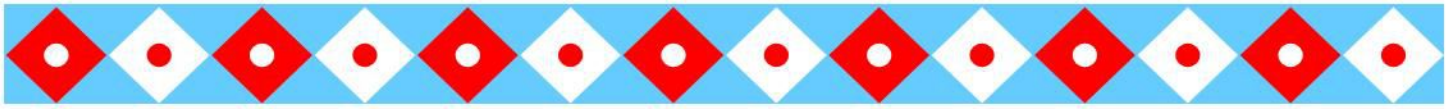

HONKING CULTURE

*Communities which have an
indisciplined and
indiscriminate honking
culture will greatly benefit
by learning from other
nations and traffic
communities.*

PRAYERS FOR PEDESTRIANS

*Let's all pray for
safety of
pedestrians.*

PEDESTRIAN RESPECT ON ROADS

*The Western nations
give the best respect
to pedestrians on
their roads.
RESPECTS!*

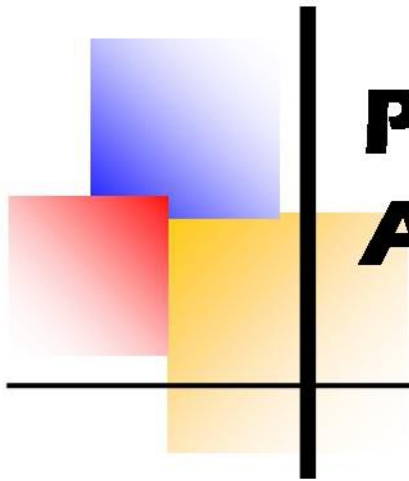

PEOPLES ON THE ROAD

A person in a vehicle on
the road needs to be
sensitive to the person on
the road without a vehicle.

RELIGION AND TRAFFIC SENSE

Religion, moral
science,
education,
modern society,
and common
sense, all teach
and expect us to
be good
observers of
traffic rules.

PRAYERS FOR AUTOMOBILES

Let's all pray for
safety of
Automobiles!

SHARING TRAFFIC SAFETY PRINCIPLES

“It takes a whole village to raise a child.” - An African proverb.

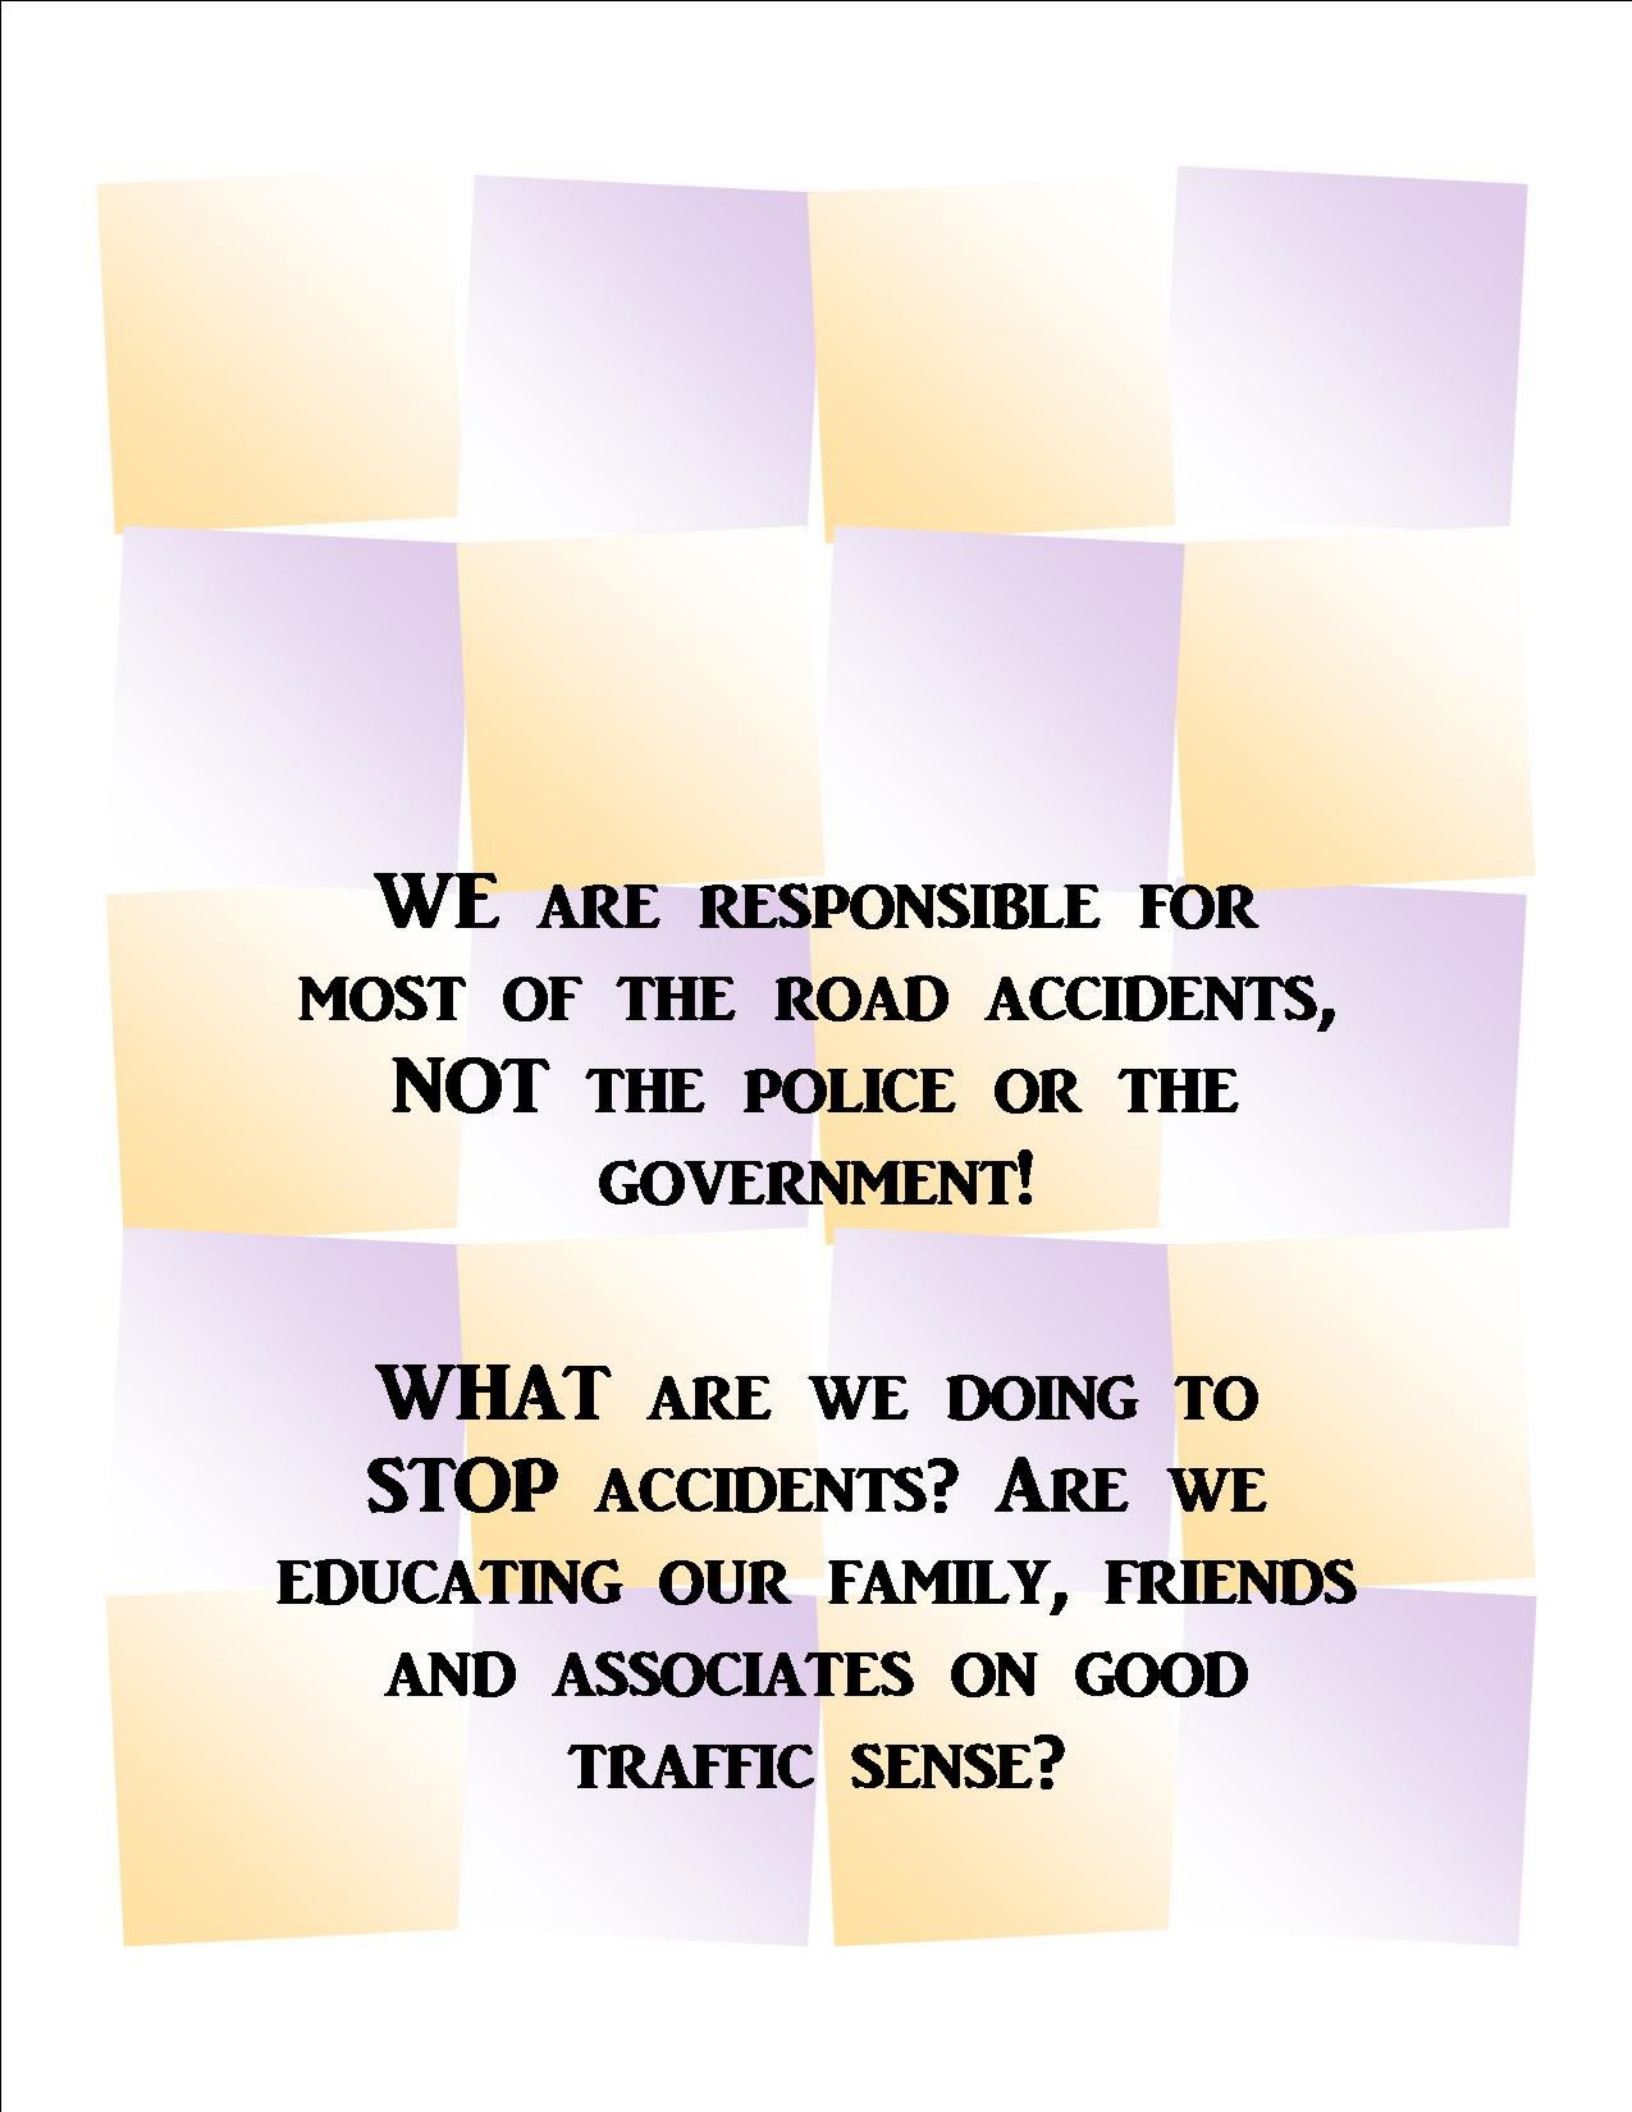

If you are a school teacher or a college or a university professor, when was the last time, you talked with your students about traffic safety principles?

TRAFFIC EDUCATION

► *Traffic Education!*

*Traffic education
needs to come to
schools, colleges,
universities and even
religious places.*

**WE ARE RESPONSIBLE FOR
MOST OF THE ROAD ACCIDENTS,
NOT THE POLICE OR THE
GOVERNMENT!**

**WHAT ARE WE DOING TO
STOP ACCIDENTS? ARE WE
EDUCATING OUR FAMILY, FRIENDS
AND ASSOCIATES ON GOOD
TRAFFIC SENSE?**
